Chandler - This old mainstay variety continues to produce excellent volumes of beautiful, great tasting fruit. This cultivar is the most popular. This variety is known for its excellent flavor, color, and medium to large size.

Sweet Charlie - Developed in Florida, Sweet Charlie is an early sweet variety. The plant is medium in size, vigorous, and disease resistant. Sweet Charlie generally produces 7 to 10 days earlier than Chandler strawberry plants.

Fronteras - Super large berries. Great taste. Lower cull rates and/or higher appearance scores. 10-12 berries per quart!!!!

Camino Real - Is a short-day cultivar similar to Camarosa. The production pattern is similar to that for Camarosa, although it is somewhat later to initiate fruiting with most cultural treatments. External and internal fruit color for Camino Real is darker than Camarosa. Camino Real has good flavor. The fruit is outstanding for fresh market. This is one to consider to extend your growing season; it does very well in late season warm temperatures.

EDITOR'S NOTE:

OBO = is an official acronym that means "Or Best Offer" and is recognized in the English language to mean Or Best Offer. As generally recognized, OBO means the seller is open to receiving offers. It does not mean the seller will take any offer you make. In fact, until a seller and buyer reach an agreement on price, the seller is not bound to sell even at the price he advertised. An advertisement is not a contract.

In the English world, OMO is never used for "Or Make Offer". Modern uses of OMO are as follows: "On My Own", "Old Man Out", "Odd Man Out", "On My Opinion", or "Old Men Online". It is also used to describe a gay person. And a generic term used especially on Twitter to describe feelings of shock, admiration and disgust.

Around Memorial day a batch of mail was not delivered, got lost in the Post office somewhere. Not good. Sorry guys

The date on the front is the date the Barnyard is expected in your mailbox. 8 days after the deadline. Ever since February when we had enough pages to stop folding it, there have been much fewer complaints about it not arriving on time. I'm glad it's working better.

Got something to sell? Mail in the form on page 4 (or use any old sheet of paper if you have too many ads), or call me to place an ad **270-962-7274**. I'm usually around the phone until noon central time.
