**Advanced Cal:** If you're looking for something to raise the PH level, try Advanced Cal. It's liquid calcium + micro-nutrient pack + humates. It's not a fertilizer but it acts as a fertilizer because it opens up the grounds usage. 4 gallon per acre equals 2 ton of dry lime. The reason I like to use liquid is it goes to work right away. Works very good for alfalfa fields. Brings up the PH. \$16 per gallon or buy a tote \$13.50 per gallon. Marlin Graber, 6005 J Gordon Rd. Mayslick, KY 41055 Voicemail 606-306-9976

# MAGNUM™ CAR REAMERS

- Car reamers are designed for the reaming of structural steel plates commonly found in truck frames, rail cars, bridges, and pressure vessels.
- Used to enlarge existing holes.
- Constructed with left-hand spiral and right-hand cut, which eliminates the tendency of the reamer to hog into the hole.
- Special Hi-tungsten tool steel, gold surface treated body and clearance for maximum lubricity.
- Three flats on shank for positive chuck grip
- Sizes available from 5/16"–1½"

Many of you know Susan Cumbee, she has been designing ads for the Barnyard for many years. She does a variety of graphic design work for the local community in Elkton. Her daughter Lucy will now be taking care of Barnyard Classifieds mail. The new address is PO BOX 669. Elkton KY 42220. If you need a professional ad made for the Barnyard, Susan's number is 270-604-5200

Katie is taking phone calls for Barnyard ads, working from her home in Indiana. She is also starting her own business doing design work, business cards, etc. K Star Advertising @ 260-251-7322

For after hours phone calls use my voicemail. Ads can be left on the voicemail.

Free Email. We send out an email as soon as each issue is made. If you'd like to be on that list contact us. If you don't have internet access we can email a PDF file.

### Free Copies

Together Fairview Farm Center and Dutch Kuntry across the street go through 500 copies of Barnyard Classifieds. Another 30 locations scattered throughout Kentucky and surrounding states pass out 2,000 copies. If you have a storefront and would like to help. Please let me know and we'll ship to your business for free. We need places that can pass out 100 in a two week period.

### Stop Fyre

Susan Davis stopped in the other day and showed us how Stop Fyre fire extinguishers work It's a compressed liquid gas that evaporates and seeks low areas, putting out the flame at it's base without making any mess. Use it on sensitive equipment and it won't ruin the electronics. The bottles are not cheap but it's a one time purchase that doesn't expire and can be used multiple times. Get Susan Davis to do a demonstration at your school. It's very fascinating how a liquid turns into vapor and magically puts out a flame. The USA company in Minnesota backs it up with a Lifetime warranty and I understand if you empty it because of a major fire they will refill it for free.

**Increase Yield and Summer Energy with Our KingFisher Sorghum-Sudan Blends!**

Instead of competing, the premium varieties in our KingFisher sorghum-sudan blends work together with their strengths to produce yield and resilience above what each individual variety could do by itself. It's like the power of 3 or 4 versus 1.

- **KF Summer Supreme** Sorghum-Sudan Blend
- **KF Summer Dream** Brachytic Dwarf Sorghum-Sudan Blend
- **KF Summer Prince** Photoperiod-Sensitive Sorghum-Sudan Blend

Don't let the summer slump hurt production or summer drought kill your forage yields. Grow and harvest lush tons of sweet summer forage using KingFisher Sorghum-Sudan Blends.

### **Made in the USA**

Our fire extinguishers are proudly made in the United States of America and we wouldn't have it any other way.

### **Clean Agent Blend**

Our fire extinguishers use a proprietary clean agent blend of electrical non-conductive and non-corrosive fire suppression gases that leave behind no residue when they are discharged which means no mess to cleanup.

### **Fast Acting**

Our fire extinguishers discharge immediately, limiting fire damage to a small area and reducing damage to your sensitive assets.

### **No Monthly or Annual Service**

Unlike many other fire extinguishers, our STOP-FYRE® Fire Extinguishers require no monthly or annual service.

### **Multi-Shot Unit**

Our fire extinguishers are multi-shot units. This simply means they can be used and will not need to be serviced to be effective for its next use.

### **Lifetime No-Hassle Guarantee**

We guarantee that if any of the fire safety equipment we manufactured is ever not in working condition, we will repair or replace it with a new unit of equal or greater value.
